

DeVisE Method of Manifestation

DeVise is a very simple method for attracting to us virtually anything we want in a very simple and practical way. There are many schools of thought on how to benefit from the **Law of Attraction (LOA)** and I'm sure they all work to some extent but this method is so simple that anyone can memorize the entire concept by reading it once.

DeVise or DEVISE is an acronym to help you remember what it means.

The first concept is DE, which stands for **DESIRE**.

The second concept is VIS, which stands for **VISUALIZE**.

The third concept is E, which stands for **EMOTIONALIZE**.

Simply, feel your desire for what you want to attract so strong that you practically lose sleep over it because it has become such an obsession that it is all you think about. If you can't get that excited about something, do you really want it in your life? Personally, my desires become burning obsessions and this is a key to having **LOA** work powerfully.

When having the strong desire, it is very crucial to visualize yourself having **ALREADY** received it. Use all your senses. Feel it, smell it, taste it, hear it, see it and use any other sensory data you can pull upon.

Many experts in the field tell you to see it as if you have it **NOW** but I'm saying to see it as if you **ALREADY** have received it as if you are in the future looking back. I will clear this up in a moment.

Finally, while having the strong desire and the powerfully clear visualization of already receiving your desire, call upon your emotions so that you get wildly excited about how thankful and grateful you are that you have received it. I sometimes get to the point that I am so grateful that God has **ALREADY** given what I desire that I cry and am in an emotional ecstasy in a very intense way. It is not necessary to go all out in this way but if you do,

proportional results follow. I sometimes get so emotionally cranked up with intense gratitude that my adrenaline gets pumping, literally.

If you incorporate all three concepts simultaneously and do this often and even non-stop at least in the mind for as long as possible, then powerful results will follow.

If you put 10 parts energy into manifesting your desire over 10 days, that is 1 part energy per day. If you put 10 parts energy into manifesting your desire over 5 days, that is 2 parts energy per day. If you put 10 parts energy into manifesting your desire in one single day, that is 10 parts energy per day.

This may seem that there isn't much difference as long as a certain amount of energy is going into something. But, there IS! For very powerful results, you must use TIME as energy itself. Compressing as much energy into the smallest unit of time possible will give you the most powerful results.

If you obsess over something day and night every waking hour for a couple weeks on a certain subject, you will attract to yourself people, events, books and other things that are in alignment with what you want to learn in a very powerful way. It will be way more powerful than if you took the same effort and expended it months or years. Take advantage of TIME energy. This concept alone will amplify all your results from your efforts beyond belief.

There is wishing for something but that really shows there isn't much belief it will happen.

There is wanting, which is more effective but still not too confident about receiving the desire.

There is knowing that something will happen and this is better but if we know that something WILL happen, God grants that and tells us, "You're right, you WILL get that." That keeps us in a state of always being in the position that it will happen meaning it just isn't coming.

There is knowing that it IS here in the now and this is powerful. This takes a lot of faith.

What I recommend for the most powerful of all results is to know that it has ALREADY been given by seeing yourself in the future looking back being thankful for having received it. However, when it comes into your hands, do not keep this mindset. Upon manifestation, become PRESENT in the HERE and NOW and BE with the manifestation in full gratitude to God for having provided it through the amazing workings of the mind.
